

Water Multistage Centrifugal Pump Industrial Boosting Process Flow Water System Support

Our Product Introduction

Basic Information

- Place of Origin: China
- Brand Name: horizontal-slurrypump.com
- Certification: CE,CCC,UL
- Model Number: OEM
- Minimum Order Quantity: Negotiation
- Price: Negotiation
- Delivery Time: 5-8 work days
- Payment Terms: L/C, T/T
- Supply Ability: 100000 pcs per month

Product Specification

- Name: CDL Series Vertical Multistage Centrifugal Pump 3-45 Kw
- Model: CDL45
- Power: 3-45
- Rated Current: 25-55
- Speed: 2900
- Voltage: 50HZ
- Weight: 83-438
- Highlight: vertical inline multistage centrifugal pump

Product Description

CDL series Vertical Multistage Centrifugal Pump 3-45 kw for Industrial boosting and process flow water system

QDL water pump is a kind of multifunctional products. It can be used to convey various medium from tap water to industrial liquid at different temperature and with different flow rate and pressure. QDL type is applicable to conveying corrosive liquid, While QDLF is suitable for slightly corrosive liquid.

Product Application

The LQDL pumps and the LQDLF pumps are multifunctional products, which can be used for conveying diversified mediums such as running water and industrial liquids. They are applicable to different temperature ranges, flow ranges, and pressure ranges. The LQDL pumps are applied to noncorrosive liquids, and the LQDLF pumps are applied to slightly corrosive liquids.

FAQ

Q1. Can I have a sample order for water pump?

A: Yes, we welcome sample order to test and check quality. Mixed samples are acceptable.

Q2. What about the lead time?

A: Sample needs 3-5 days, mass production time needs 1-2 weeks for order quantity more than

Q3. Do you have any MOQ limit for water pump order?

A: Low MOQ, 1pc for sample checking is available

Q4. How do you ship the goods and how long does it take to arrive?

A: We usually ship by DHL, UPS, FedEx or TNT. It usually takes 3-5 days to arrive. Airline and sea shipping also optional.

Q5. How to proceed an order for water pump?

A: Firstly let us know your requirements or application.

Secondly We quote according to your requirements or our suggestions.

Thirdly customer confirms the samples and places deposit for formal order.

Fourthly We arrange the production.
